

Roaring Camp, Inc. Post Office Box G-1 Felton, CA 95018

FOR IMMEDIATE RELEASE

The Santa Cruz Big Trees and Pacific Railway, a subsidiary of Roaring Camp Railroad, has entered into an agreement with Progressive Rail, parent company of the St. Paul & Pacific Railroad, to provide service for freight in Watsonville, California.

Roaring Camp has been operating trains continuously in Santa Cruz County since 1963. The railroad is looking forward to working together with Watsonville community businesses who use rail to receive and transport their valuable goods. Roaring Camp strongly supports the preservation of rail operations in Santa Cruz County. Rail provides important flexibility for the future of transportation in the community.
